Child Care Resource & Referral Agencies

Community Action Partnership of Madera County

Contact your local Child Care Resource and Referral Agency using the website information here to access the child care search tool or call 1-800-KIDS-793 (1-800-543-7793) for more information and support.

County Program Profile: Madera

The QCC County Program Profile provides county data from the Common Data File (CDF) and the Annual Progress Report (APR). For counties that are a part of a consortium, the QCC County Program Profile provides a combined view of the CDF and APR. Both qualitative and quantitative data are presented to provide a local view of early learning and care climate.

QRIS :: Madera County Quality Counts: Early Stars

The Madera County Quality Counts: Early Stars program serves the communities of Madera County. It is administered by First 5 Madera County in coordination with the Madera County Superintendent of Schools.

Since June 2016, more than 16 Quality Rating and Improvement (QRIS)/Quality Improvement System (QIS) sites have been rated and/or received support to improve quality. The Quality Counts: Early Stars QRIS has five levels and measures several elements of program quality, including (1) Child

Development and School Readiness, (2) Teachers and Teaching, and (3) Program and Environment.

Process to Outreach/Onboard Programs and Providers

We have already successfully recruited all California State Preschool Program (CSPP)/CMIG providers in Madera County. We visit private centers and family child care providers to help them become aware of the benefits of participating in the QRIS.

Quality Improvement Program Support Strategies

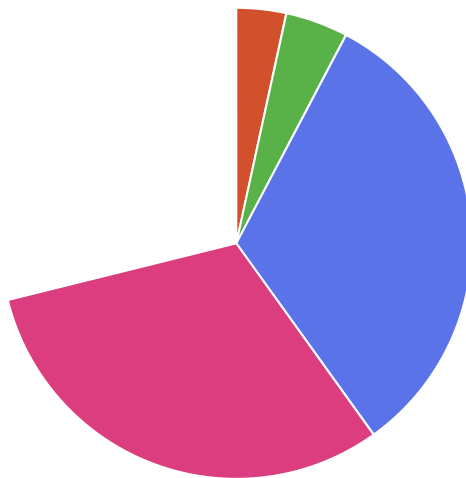

We provide coaching, training, block grants, and incentives/materials according to the individual needs (as well as the tier rating) of our participating sites.

Local Approach to Offering Financial Incentives and Stipends

California State Preschool Program/CMIG sites rated at Tier 4 or 5 qualify for block grants. Private centers and family child care providers not yet rated, or rated below a Tier 3, receive support materials (based on ERS or coaches' recommendations).

How Children Are Served by QCC

Number of children served by age groups
Total number of children served = 3,306

QCC Tier Rating Distribution

Footnote 1: Providers receive tier ratings based on how well they meet program standards and guidance, which follow three core areas (1) Child Development and School Readiness, (2) Teacher Qualifications and Teacher Interactions, and (3) Program Leadership and Learning Environment. Tier ratings help providers identify areas for improvement and find ways to sustain success.

Language Spoken with Children

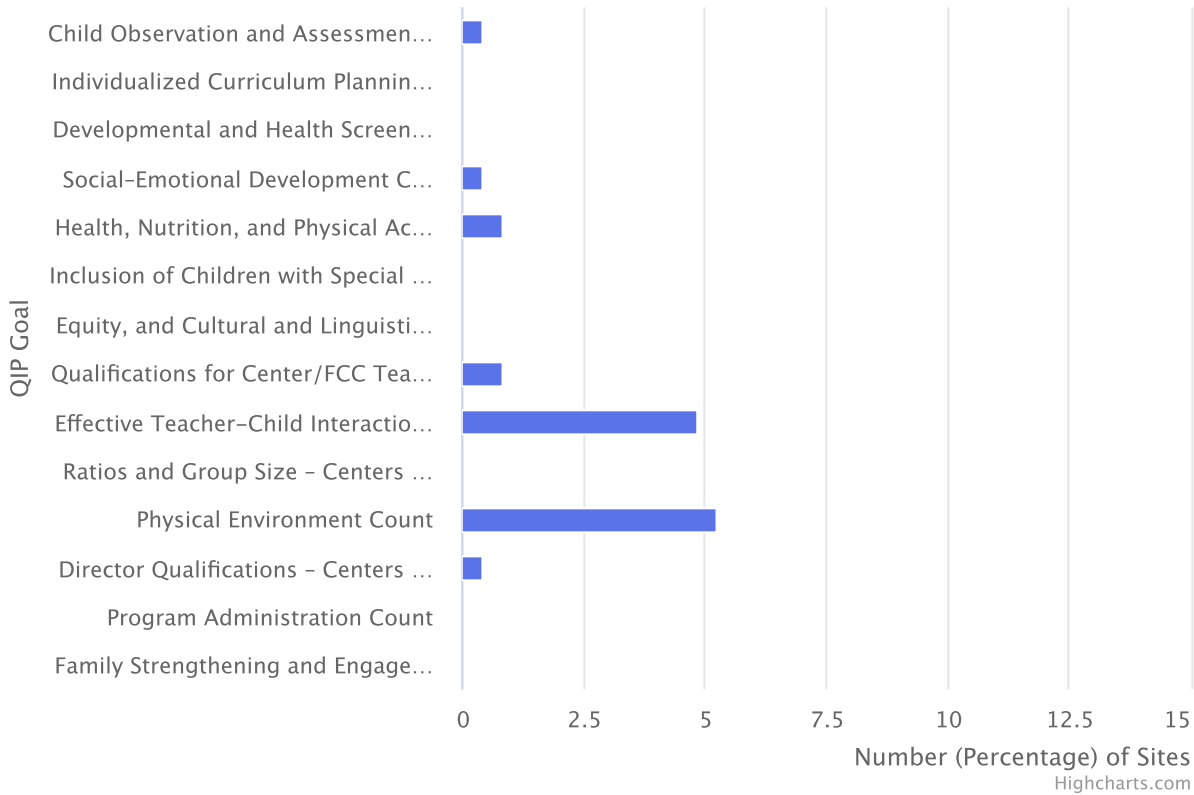

Footnote 1: QCC providers aim to develop and support children's early language skills. Providers at the QCC settings reported using the following languages for instruction with children. Many sites provide instruction in more than one language, thus, the percentages may add up to more than 100%.

Quality Improvement Plan (QIP) Goals

QCC supports quality improvement for early learning and care programs. The table below shows the most common QIP goals for this region. 

Testimonial

I have found the coaching and all of the resources provided by QRIS to be extremely valuable. The coach always responds quickly and is very thorough; she is encouraging and willing to help us in any way she can; she has provided guidance with everything from introducing us to different resources on the computer to helping us set up Google Docs. The trainings that have been provided through the QRIS and the coach have been very helpful. I believe the support provided through QRIS was instrumental in the Tier 4 rating we received this year.
