## County Program Profile: Yolo

The QCC County Program Profile provides county data from the Common Data File (CDF) and the Annual Progress Report (APR). For counties that are a part of a consortium, the QCC County Program Profile provides a combined view of the CDF and APR. Both qualitative and quantitative data are presented to provide a local view of early learning and care climate.

## QRIS :: Yolo Raising Quality Together

Yolo County's Raising Quality Together Quality Rating and Improvement System (QRIS) is a combined effort between City of West Sacramento, implementing the IMPACT and UP4WS grants, and Yolo County Office of Education, implementing the California State Preschool Program (CSPP) QRIS and Infant Toddler QRIS Block Grants. Currently, in our county we are serving 97 sites, providing them training, coaching, and other quality improvement efforts, and 34 have, or are in the process of receiving, a rating on the CA-QRIS matrix. Our county QRIS has five levels and does not vary from the California statewide QRIS in any section. All programs participating in Raising Quality Together are eligible to receive up to \$600 in stipends for attending training, to

improve the quality of their program, and coaching, plus a materials and supplies stipend if they receive assessments in order to be placed on the CA-QRIS matrix. Coaching, training, and technical assistance are offered by our Early Learning Specialists on an as-needed basis to all sites.

QCC Tier Rating Distribution

Footnote 1: Providers receive tier ratings based on how well they meet program standards and guidance, which follow three core areas (1) Child Development and School Readiness, (2) Teacher Qualifications and Teacher Interactions, and (3) Program Leadership and Learning Environment. Tier ratings help providers identify areas for improvement and find ways to sustain success.

## Success Story

A Teacher shared: QRIS has given me the ability to have my coach observe, and then together we look at ways to improve my teaching practices and classroom environment. I am gaining experience to maintain fidelity to curriculum and my children's successful development.
